

Farewell to .yu - second part

Extinction of .yu domain

If your company or organisation has not started using the .rs domain until now and you have an active .yu domain, we recommend you to read the following text carefully.

RENEWAL OF .YU DOMAINS

Existing .yu domains that are not renewed until **2 March 2009** will be deactivated and will stop functioning on the Internet.

Consequences:

If your company does not use the possibility to renew your domain (e.g. www.companyname.co.yu) until **2 March 2009**, your Website, electronic mail and other services linked to the .yu domain will not function on the Internet.

ADDITIONAL RENEWAL PERIOD

The additional period for renewing .yu domains will begin on **3 March 2009** and end on **30 April 2009**. If a domain is renewed within this period, it will be reactivated on the Internet. Remaining .yu domains that are not renewed until **30 April** will be permanently deleted from the Register on **4 May 2009**.

Consequences:

If you do not renew your domain (e.g. www.companyname.co.yu) until **30 April 2009**, all information about it will be permanently deleted on **4 May 2009**.

If your company decides to renew your domain until **30 April 2009**, it will be reactivated on the Internet and your site and e-mail will function until the last day of the .yu domain existence - **30 September 2009**.

FINAL EXTINCTION OF .YU DOMAIN

The maintenance of the .yu domain register and the promotion of information about .yu domains on the Internet will cease on **30 September 2009**, regardless of the renewal date.

Consequences:

After 30 September 2009, .yu domains will definitely stop functioning on the Internet! If you do not register and begin using the new national domain (.rs, co.rs, org.rs, edu.rs) until this date, your Website and electronic mail within the .yu domain will not function on the Internet.

For all activities regarding the registration of Internet domains, contact any registrar of the .rs domain across Serbia. A list of registrars is available at www.rnids.rs.

Who needs to renew the .yu domain?

- Those who have a .yu domain and have not register the same .rs domain yet.
- Those who have not informed all their business partners and friends about their new .rs Internet address.
- Those who have not redirected visitors of their Website within the .yu domain to the new .rs domain.
- Those who have set automatic forwarding of electronic mail with the .yu domain to the new .rs domain, because your business partners and friends have not modified their addresses.

The Serbian National Register of Internet Domain Names (RNIDS) is an expert, non-governmental and non-profit organisation founded with the aim to manage the new national Internet domain .RS in order to satisfy the general interest of all citizens of Serbia, complying with the principles of quality, efficiency, independence and transparency.
